Pojašnjenje dokumentacije za nadmetanje / *Tender documentation explanation*

U dijelu dokumentacije za nadmetanje "TECHNICAL SPECIFICATIONS – 1.9. Underwater pelletizer max. Capacity 2500kg/hr", tehnička specifikacija:

"- Capacity of the water tank: Approx. 350 litre",

pogrešno je navedena minimalna karakteristika. Ispravna tražena karakteristika je:

"- Capacity of the water tank: min 350 litre"

U hrvatskom opisu karakteristika je ispravno navedena.

*In the part of Tender documentation "TECHNICAL SPECIFICATIONS – 1.9. Underwater pelletizer max. Capacity 2500kg/hr", technical specification:*

*"- Capacity of the water tank: Approx. 350 litre",*

*the minimum requested feature is incorrect. The correct requested feature is:*

*"- Capacity of the water tank: min 350 litre"*

*In croatian description feature is properly listed.*
