Criteria	Relative importance
Tender price	60%
Response time to repair intervention	20%
Delivery deadline	20%

DESCRIPTION OF AWARD CRITERIA AND METHOD OF DETERMINING AWARD CRITERIA VALUE:

TENDER PRICE

The maximum number of points that the Bidder can obtain to this criterion is 60. The Bidder that submits a tender with the lowest price will receive the maximum number of points.

Points to be obtained under this criterion are calculated using the following formula:

$$\text{The number of points} = \text{lowest tender price} / \text{tender price} * 60$$

RESPONSE TIME TO REPAIR INTERVENTION

Points to be obtained for the offered response time to repair intervention are as follows:

- 0-1 day ⇒ 20 points
- 1-3 days ⇒ 10 points
- over 3 days ⇒ 0 points

DELIVERY DEADLINE

Points to be obtained for the offered delivery deadline are as follows:

- 0-30 days ⇒ 20 points
- 31- 60 days ⇒ 10 points
- over 61 days ⇒ 0 points

FINAL SCORE

Applicable formula for scoring of the proposals are

$$\text{TNP} = \text{TP} + \text{RT} + \text{DD}$$

TNP = total number of points

TP = tender price

RT = response time

DD = delivery deadline

Once the Customer determines points for individual criteria for each Bidder, points awarded for individual criteria will be added together in order to obtain the total points for each Bidder. Economically best offer shall be the one that will achieve the highest total number of points for all criteria. In the case the points are matched, Bidder with the lower price shall be considered as economically best offer.

- offer for which the Bidder has not accepted the corrections to calculation errors in writing.

During the examination, the Customer may, in a reasonable time limit which may not be shorter than five calendar days from the date of the request, call for a written clarification or supplement i.e. elimination of ambiguities, defects or mistakes which the Customer considers remediable.

After the examination and evaluation of tenders, valid tenders shall be ranked in accordance with the award criteria.

Customer shall draft the Minutes of the evaluation meeting and inform all entities who submitted the tender on the final results of the selection, by sending them the information on decision on the selection.
