2. BASIC INFORMATION ON THE SUBJECT OF PROCUREMENT

The subject of procurement is the purchase of production machines in accordance with the technical characteristics and other required conditions specified in the Tender Documentation. Tenderers are obliged to offer only new and unused equipment to the Client.

On 28th of September 2020, the Contracting Authority issued a Decision on annulment of the procurement procedure for groups of procurement items 2. Machine for flash butt welding of wide band saws and 6. Machine for tensioning, straightening and levelling of band saws, in the process of procurement of machines registration number 2/2020, Procurement notice with the intention of concluding a contract for the procurement of goods was published on the website www.strukturnifondovi.hr on 22th of August 2020. The procurement procedure was divided into 7 groups and for groups 1, 3 to 5 and 7 a Decision on selection was made.

This procurement procedure is carried out for groups 2 and 6 within the deadline set by the annulment decision of 28th of September 2020.

The subject of procurement is divided into seven groups:

No.	Name	Quantity
GROUP 2 – Wide Band saw blades Flash Butt Welding Machine		
1.	Wide Band saw blades Flash Butt Welding Machine	1
2.	Machine Operation Training for employees	
GROUP 6 - Tensioning, straightening and levelling machine		
1.	Tensioning, straightening and levelling machine	1

Client: TONER d.o.o., Belajske Poljice 4i, 47252 Barilović, OIB: 55957584769
Subject of Procurement: Procurement of machines for production of band saws
Procurement number: 2/2020

It is allowed to submit tenders by groups, and a separate tender is submitted for each group. A tenderer may submit a tender for one, more or for all groups of the procurement items.

The procurement is carried out within the Project „Investment in the construction and equipping of new production facilities for production of cutting tools – Toner d.o.o. (ref.no.: K.K.03.2.1.15.0064)“.

3. TYPE OF PUBLIC PROCUREMENT

A procurement procedure with a mandatory publication of the Procurement Notice with the intention of concluding a contract for the procurement of works.

Procurement number: 2/2020

4. DEADLINE FOR SUBMISSION OF TENDERS

The deadline for submission of tenders is 16/11/2020 at 11:00 o'clock Central European Time to the address of the Client. Tenders will be considered timely submitted if they are received by the Client by the specified time.

5. LANGUAGE OF TENDER IN WHICH IT MUST BE PREPARED AND SUBMITTED

The tender is made in Croatian and English and in Latin script. All other documentation which is attached must be also in Croatian or English or German. Exceptionally, a part of the accompanying documentation may be in another language, but in such a case, a translation into Croatian or English or German must be attached.

6. ADDITIONAL INFORMATION

During the time for submission of tenders, Tenderers may ask questions and request additional information related to Tender Documentation. A request with the questions is considered timely if it is submitted to the e-mail address of the contact person (anita@tonertracnepile.hr) no later than during the eighth (8th) day before the deadline for submission of tenders expires.

The tender documentation will be available for download on the website www.strukturnifondovi.hr from the day of publication of the Tender Notice.
