

The decision on the selection of the best offer

I.

As a part of the public procurement process, “Engineering Services for On-Site Support” as a subject of the procurement, which is part of component of the “EuBatln” project, contract No. 0000, it has been decided that offer submitted by **ATS Automation Global Services UK & IRL, a Division of ATS Automation Solutions Limited, Unit 11, Westleigh Business Park, Winchester Avenue, Blaby, Leicester, LE8 4EZ, United Kingdom** will be selected. Total value of selected offer is **484.515,20 EUR**.

II.

Upon enforceability of this Decision, the Contractor will sign service contract with the selected Bidder.

III.

Standstill period is not being applied.

Explanation

In line with prescribed Procurement procedures for entities who are not obligators of the Public Procurement Act, Contractor has started open public procurement process with the public Notification on Procurement.

Until expiration of the deadline, one offer has been received.

After the Board has reviewed and rated received offer, it is decided that the offer submitted by **ATS Global Service** is in line with bidding documentation, in line with the scoring criteria defined in the call and represents the best and only offer.

Therefore, it is decided in line with the statement under Point 1 of this Decision.

Decision on selection will become enforceable by its delivery to the selected Bidder. Decision on selection will be delivered to the selected bidder in written form without any delay.
