

## The decision on the annulment of the tender procedure

I.

In Call for tender “Battery Module Cold Plates”, **contract No. 0000**, implemented as a part of the “EuBatIn” project, Rimac Technology d.o.o., **as a project beneficiary adopts a decision on the annulment of the procurement procedure.**

II.

Decision is adopted since the supplier, SOGEFI AIR & COOLING S.A.S., is unable to meet conditions set in the tender: <https://strukturnifondovi.hr/nabave-lista/eubatin-54/>.

III.

Standstill period is not being applied.

### Explanation

In line with provisions of “Rules on the implementation of procurement procedures for non-obligators of the Public procurement act”, Rimac Technology d.o.o. has initiated procurement procedure – procurement procedure with mandatory publication.

**One offer was submitted and the Decision on the selection of the best offer was published on 22.03.2024. After the tender procedure was finalized, the supplier has informed Rimac Technology d.o.o. that they are unable to fulfil the tender requirements (delivery of the goods on time).**

Following the above, it was decided as defined in the Article I of this document.

The decision on annulment becomes enforceable on the date of its adoption.
